A close-up, front-facing view of a white humanoid robot. The robot has a large, dark, reflective visor that shows a distorted reflection of the environment, including a grid-like ceiling and distant lights. Below the visor, a glowing blue light is visible on the robot's chest. The robot's arms are slightly out to its sides. The background is dark and out of focus.

A perspective view of a dark, empty corridor. The ceiling and floor are composed of a grid of dark, rectangular panels. The walls are also dark and feature a grid pattern. At the far end of the corridor, a bright blue light emanates from a rectangular opening, creating a strong contrast with the dark surroundings. The light appears to be coming from a screen or a large window.
